

Plymouth IMC Club Monthly Meeting

IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in Instrument flying.

Believing that safety and proficiency are developed through education and experience, monthly meetings use real-world scenarios to engage our members and allow them to share and build their experience. Join the IMC Club Plymouth members for a lively discussion of the issues involved with flying in IMC. You don't have to be instrument rated to attend. Click on the link below and register TODAY.

Directions: Meeting held in airport conference room at Gate 2

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
